

Youth Mentoring Initiative (YMI) BUSINESS PARTNERSHIP OPPORTUNITIES

BE A WORLD CHANGER! Invest in our community today to create a better tomorrow. YMI invites you to join other local businesses by supporting youth mentoring in Fishers.

YMI has **partnered with the Hamilton Southeastern Schools** to provide a dynamic and effective mentoring program that focuses on the personal development of students in grades 5-12.

WHY SUPPORT YMI?

Youth Mentoring Initiative is uniquely positioned to impact the following:

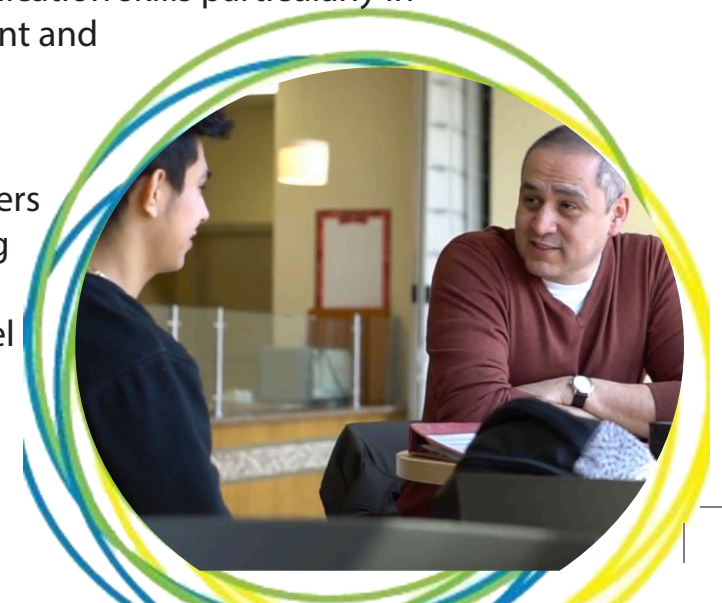

FOR SCHOOLS: Mentored students are more productive in school and report an increased sense of self-worth and accountability. Additionally, having an engaged community of mentors offers the schools more support - including providing support for students whose specific needs are not always met through current programs and services that the school alone can provide.

FOR YOUTH: Students who have been through the YMI mentorship program experience increased self-confidence and an improved sense of self-worth, a better understanding of accountability and social responsibility, improved communication skills particularly in identifying and dealing with emotions, academic improvement and healthier social interactions with peers.

FOR THE COMMUNITY: Engaged, socially responsible individuals who are invested in the future and success of Fishers helps to reduce the number of high school dropouts (creating less financial strain on the community). Also, as more adults engage on a regular basis with our youth, younger people feel valued and appreciated as members of the community.

Youth Mentoring Initiative (YMI) Business Partnerships and Sponsorship Opportunities

“The City of Fishers understands the importance of developing our children’s life skills. YMI is a great tool to do just that. **We look forward to furthering our relationship with this great organization.**” - Mayor Scott Fadness

“**I probably wouldn’t be in school anymore without this program.** I was getting D’s in all of my classes, but now I am getting B’s and C’s.” - FHS Student

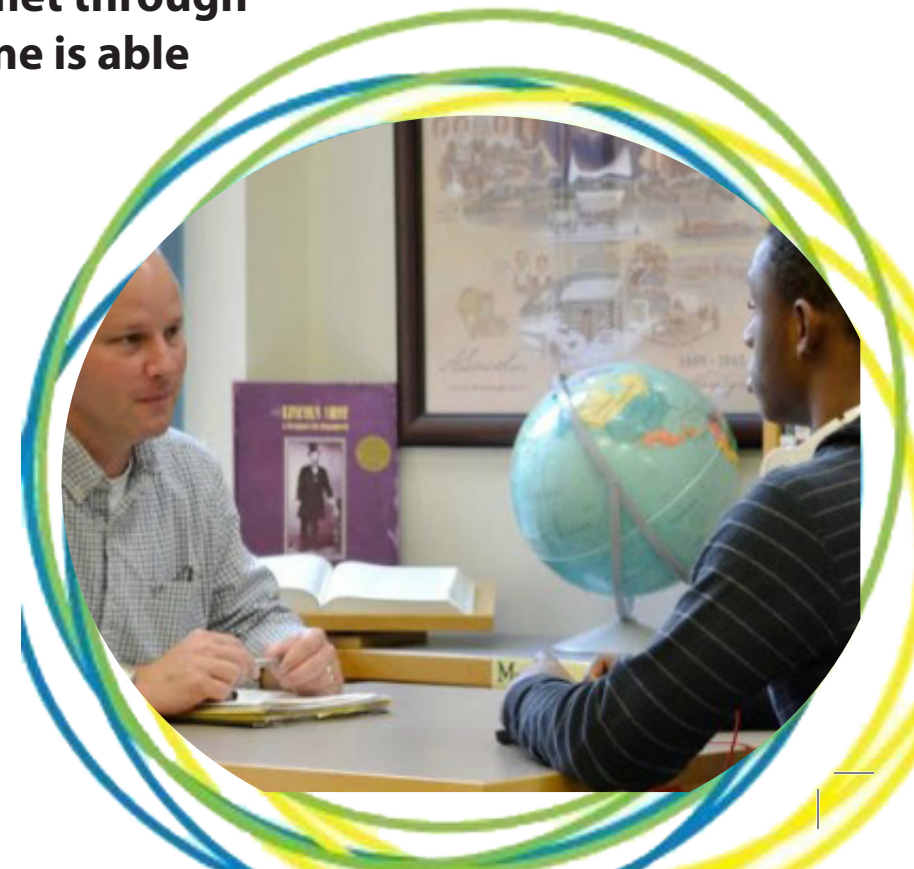

“**No one else cared to listen, but my Mentor did.**” - FJH Student

“**YMI has met a legitimate need in our building, providing support for students whose specific needs are not always met through current programs and services that the school alone is able to provide.**” - Local Guidance Counselor

“It really does ‘take a village.’ I firmly believe that having **another caring adult** in my child’s life has **made a positive impact.**” - Participant Parent

Youth Mentoring Initiative Mission:

YMI provides mentoring for students by building and sustaining a mentoring community with the highest level of service, integrity, encouragement, and empathy. Most importantly, we strive to continue cultivating our community by investing in our youth.
