Food Resource & Pantry List

The Indiana Family and Social Services Administration, in partnership with the state's food banks, the Indy Hunger Network and Feeding Indiana's Hungry, has developed a statewide, interactive map that will help Hoosiers seeking food assistance find what they need. [The map is online here](#), and will be prominently featured at www.fssa.in.gov. The map can be used on desktop/laptop computers and mobile devices. There are two types of organizations shown [on the map](#): food pantries and meal sites. Food pantries are locations where Hoosiers can pick up groceries to prepare and use at their homes. Meal sites serve packed meals, ready to take home and eat.
